

Parents Council 31 January 2011

Electronic correspondence: parents were pleased with the ongoing trial of emailing letters home and suggested that we asked parents to opt out of this system rather than opting in.

E Baccaulaureate: parents perceived this as performance indicator for the school rather than affecting option choices for the students. This will be explained in the presentation at options evening.

Christmas/Summer Events: many varied and interesting suggestions were made by parents who were keen to see this aspect of the school develop.

AOB:

Curriculum: explanations of where parents can get help and advice were given and suggestions made for the future.

Dining Hall: the school will review, with Caterlink, the choice and quality of food available at 3C break and the pricing policy. The request to open at 7.45am to accommodate pupils arriving on the early buses needs further investigation by the Senior Leadership Team.

Grey tights for girls: to be discussed in School Council

Year 9 Pupil Profiles: the new format was much praised.

Date of next meeting: Monday 4 April at 7.15pm
