

Charters School

Specialist Sports and Science College

9 September 2011

Dear Parents/Carers

Your son/daughter has chosen to undertake Mathematics at A-level. In order to help your son/daughter with their studies there are a number of support mechanisms available to them. These include a full set of module textbooks, after school clinics run on a Thursday from 3pm to 4pm and a team of dedicated teachers. We also subscribe to the course website which is a fantastic resource that provides additional notes, exercises and interactive materials. We highly recommend that all students subscribe to this.

In order to cover the costs of this subscription and the provision of past paper packs throughout the year we are asking for each student to contribute £10 for the year. This contribution is voluntary, however, we will expect every student to have a set of past papers for revision and so students choosing not to contribute will have to provide their own packs by printing these at home. Please complete and return the reply slip below with your payment in a sealed envelope, clearly labelled with name and 'maths' to the Returns Box in Reception by Wednesday 21 September 2011. Preferred method of payment is by cheque, payable to RBWM, with name and Tutor Group printed on the reverse.

Should you have any questions please do not hesitate to contact me.

Yours sincerely

MS S NELSON
Key Stage 5 Co-ordinator

✂-----

A-LEVEL MATHEMATICS

I enclose contribution of £10 to cover the costs of subscription to course website and provision of past paper packs for A-level Mathematics.

Pupil Name: Tutor Group:

Signature (Parent/Carer): Date:
